Precaution Guide for COVID-19

Mari Marry takes sanitation and hygiene seriously as our first priority. We value your health and safety during our service. We sanitize all of our tools and products for each client and use disposables as much as possible.

Here are the precautions that we are taking to protect you and your bridal event.

- Artists will be wearing a mask based on the state's rules and regulations.
- Artists will be deep cleaning their kit and brushes the night before your trial or wedding.
- Artists will always keep their hands clean before the start of the application.
- Using a clean brush set or disinfectant on brushes for each client.
- Using disinfectant spray or wipes for all tools, eyeliners, brow pencils and powder products (over 70% Isopropyl Alcohol).
- Using disposable wands with mascaras and Q-tips during the application as much as possible.
- There will be a 10 minute sanitation break in-between each service on the day of the wedding.

We also ask for your help in supporting some of the state regulations below on your wedding day.

- All clients will have to complete "**COVID-19 Hair and Makeup Services Consent Form**" before the service day.
- Please wear a mask before receiving service.
- Anyone who appears to have cold-like symptoms can be denied services.
- At this time, we ask that only the person having hair and/or makeup service are allow in the getting ready area/room with the makeup artist.
- Artists will need adequate space to set up their station.
- Please look at your getting ready area(s) prior to the artist's arrival and make sure you have the space ready for them to set up.
- During the makeup and hair application, the artist would minimize talking when she is close to you, and we would ask the client to do the same (minimize talking) during the application.
