Trial Beauty Prep Guide
for face and hair

We recommend that you send us some inspiration photos of styles you are considering before a week of the trial. Also, please send some photos of your wedding dress. For hairstyle pictures, has similar hair with your hair color, texture, density, and length. And for makeup pictures, ideally, who has the same age range, and similar race as you. Also, please try to avoid to use the inspiration picture that has been Photoshop or edited.

The Night Before

Face:

Use gentle exfoliate on your skin and lips and put on hydrating moisturizer skincare.

Hair:

Please wash your hair without conditioner, and do not use any products in the hair, e.g. Serums, smoothing creams, argon/ Moroccan oil etc.

Blow dry your hair as smooth as possible ,and do not using a straightening iron.

Others:

Remember to eat healthier, try staying away from sugar, lots of sodium and processed foods.

Please don’t drink alcohol, sleep early and rest well.

Preparation for Trial

Face:

In the morning, gently wash your face with a gentle face cleanser and warm water and you can apply a light moisturizer, and without sunscreen.

If you don't have anything you think is suitable, do not apply anything and I will moisturize, prep and prime your skin for you before applying your makeup.

Make sure your face has **no makeup, and clean**, and put contact lenses on before your start time.

Hair:

I suggest to wash your hair the night before but if you decide to wash in the event day, please make sure your hair is completely **Dry and Clean** before the service start.

And please wash your hair without conditioner, and do not use any products in the hair, e.g. Serums, smoothing creams, argon/ Moroccan oil etc.

Blow dry your hair as smooth as possible ,and do not using a straightening iron.

Others:

On the day, please wear a white top that has similar neckline to your wedding dress.

If you want the makeup artist to use your products, please have the products ready.

If you have any *cosmetics allergies*, please let the makeup artist know before it starts. And it is recommended to provide your own makeup product instead.

Please bring all accessories you are planning to use on incorporating into your style, such as a hairpiece, tiara, necklace, earring, or veil. And please have all the accessories ready before the service start.

If you are considering hair extensions, please bring it with you and we can try it on and see the effect of how its look. For the hair extension, we only apply the 100% human

hair, and clip on extensions. They must be washed and air dried in advance to remove the chemical coating. Except 100% human hair, and clip on extensions, other material of hair extension can't curl or heat up, and it is not work for the hair styling. Also, you can contact me to get more recommendations for how to purchase.

Last, to make sure everything goes smoothly on your day, please come on time.

Thank you and I am excited to work with you.
